LIFE Academy of Salem’s philosophy is built upon the ideas of Leadership Education as outlined in Oliver DeMille’s books, including A Thomas Jefferson Education: Teaching a Generation of Leaders for the Twenty-First Century. Our Scholar Program parent mentors are trained and offer classes using materials produced by Leadership Education Mentoring Institute (LEMI). We encourage you to read Dr. DeMille’s books to better understand the foundation upon which our group operates. If you need help finding them, please let us know.

Please know that it will take the efforts and contributions of all of the moms (and any available dads) to make this group successful. All moms will be needed to teach or assist in classes for the varying ages this year.

By registering for LIFE Academy, I agree that I understand, or will come to understand, the TJEd philosophy and support the mission and vision of LIFE Academy. I have read and agree to adhere to the LIFE Academy Policies and Procedures as outlined in the LIFE Academy Parent Handbook.
